Customer Reviews

I love this book! It is so helpful with my planning so far. I love the pockets to store papers, the organization of the various sections, and lots of detail. I also love the time lines--this is helping me know what to do, and when to do it...I actually feel way more relaxed knowing I am prepared with all of this helpful info. It is a pretty big book, which makes it inconvenient to carry around, but it is well worth it.

I love this binder! I didn't buy it from but it looks like it was about \$5 cheaper than barns and nobles. Still, completely worth it. Everything you need is in here - even if you don't know you need it yet! I love the 3 ring binder format and loose leaf paper so I can add and remove whatever I need to at will. I just got engaged 2 weeks ago and was already going insane and this binder has absolutely saved me! A must have for newly engaged women.

Is just as the description says. Thorough, sturdy, and beautiful! The bride was very appreciative and just loved the book!

Perfect condition thank you

Very well set up, this is an excellent guide and keepsake for any future bride.
