Learn To Listen, Listen To Learn, Level 2: Academic Listening And Note-Taking, 3rd Edition

Synopsis

Â The newly expanded *Learn to Listen, Listen to Learn* series prepares students for the rigors of academic classwork, helping them acquire the listening-comprehension and note-taking skills necessary for success. Â This two-book series offers students valuable tips for getting the most from college lectures, including note-taking skills, organization of information, recognition of language cues, and the acquisition of vocabulary. Students are shown how a typical lecture is organized, using extensive excerpts and transcripts from authentic lectures on high-interest topics from a wide range of academic discipline. Â Features: Includes new and updated material, including expanded vocabulary, extension, and post-lecture activities to encourage students to discuss, research, and write about ideas raised in the lectures. TeachesÂ students how to recognize lecture organization, and how to evaluate and predict information. Focuses on the acquisition of vocabulary, especially from the Academic Word List, and on the recognition of language cues. Prepares students for academic testing with TOEFL-style test questions throughout the text. Â Audio CDs are also available for this text. ClickÂ on the links to the left of this pageÂ to purchase the Audio CDs. Â See also *Learn to Listen, Listen to Learn 1* .

Customer Reviews

I didn't use this book. I return it because my class changed the textbook. It had a nice look as a new book. Also, it is easy to get refund and to return it.

Thank you so much, I got it on June 2, it was really the time I expected, Thank you!

as described, received way before the deadline .. so thank you

It's a great book for an international student:

It is clean and looks like new

Thank you, it was great.

its seem to be new
